I am currently a third-year student in Web & Mobile Development at the University of West of Scotland which I have passed my HND with an A at City of Glasgow College (2022) , and my plan is to employ all the skills and knowledge that I have gained paired with finishing studying at the university level, to become a graduate and expert in a full stack developer (Web & Mobile).

EDUCATION :

■ **BSc (Hons) Web & Mobile Development :** (graduation in 2024)

09/2022 - Now **University West of Scotland**

I'm extending my studies of client-server systems plus emerging web server technologies and undertaking a major individual project.

■ **HND Web Development :**

09/2021 - 07/2022 **City of Glasgow College**

I have studied a wide range of UI/UX design and more advanced JavaScript libraries (jQuery). Also, the CMS by using (WordPress), and develop a mobile web-based app by using the user interface system (jQuery mobile) install, configure, and manage an e-commerce solution to support a business by WooCommerce.

■ **HNC Digital Design & Web Development :**

09/2020 - 07/2021 **City of Glasgow College**

I have studied a wide range of website development and created websites that are dynamic, media-rich, and responsive to user interaction built on the fundamentals of client-side technologies.

■ **Web Application Development Course:**

08/2020 - 12/2020 **IT Professional Training LTD**

I studied the basics of client-side technologies (HTML/ CSS/JS/ Node.js) and (PHP/ MySQL/APIs/ MongoDB) web servers.
